Dear Mr.Weisberg,

Thank you most kindly for your detailed letter of the 26th.

Your instructions and information is most helpful and will give me an opportunity to determine costs, as I haveliterature from Adams Printing of 30 W. Washington St., Chicxago,Ill.

I most sorry to know of your deep indebtness. My wife who is a book store manager claims your books sell well in the Moorestown, N.J. store andwe thought you would be "affluent" by this time.

Our deepest regrets once again and we sincerly hope this condition will clear up in the near future.

Sincerely,
